ACTIVITIES & AWARDS

Patient Point | Nashville, TN

Digital Designer from July 2017 - present

As a digital designer, I work with hospital marketing directors to create digital signage (both animated and static) for hospital screens all over the country. I also collaborate with the Creative Services Manager to produce advertisements, email campaigns, health content, and conceptual sales templates for clients.

Hatch Show Print | Nashville, TN

Graphic Design Intern from May - June 2017

As an intern, I learned the letterpress process, worked with clients, designed posters, and laid out type treatments and illustrations by hand.

Blufish Design studio | Starkville, MS

Graphic Design Intern from August - December 2016

As an intern, I gained experience designing logos, adhering to brand standards, working with clients, laying out magazines, making mockups and working with the other Blufish locations all over the country.

T.E. Lott & Company | Columbus, MS

Graphic Design Intern from February - September 2015

As an intern, I assisted this accounting company in their 90 year re-branding logo and website design. I also met with individual employees designing their new business cards, social media posts, and brochures for their college recruitment visits.
